

Park Street Christian Church *continues* to donate food to **THE EMERGENCY FOOD BANK**

The Emergency Food Bank is a volunteer organization that provides a 3-day food supply to individuals and families in the Charlottesville-Albemarle area who find themselves in an emergency without food.

Give Food

Donations of food included in orders can greatly reduce money spent for purchases. No homemade or home-canned items can be accepted. Nonperishable food only.

The following foods are always needed:

**canned fruits and
vegetables, cereal,
canned fish, beans, soup,
peanut butter, pasta and
sauce, baby food**

Give Toiletries

Toiletries are also needed, especially **shampoo, soap** and **toilet paper**.

Visit <http://efb.avenue.org> for more information or to make a donation online.

PSCC will continue to collect items throughout the year, as there is always need in our community. Please give whenever you can. Look in the church's entryway for the drop location. THANK YOU!
